

Construction Experience that Matters

Prophix centralizes all your financial information and ensures job cost data is always in sync with your accounting. With a single source of the truth, everyone is always working with the most up-to-date cost information preventing project delays and cost over-runs. Drill-down or drill across with easy to use self-serve reporting.

“We often recommend Prophix to companies in our industry. I typically focus on time savings, which relate to our corporate strategy of always wanting to operate leaner. The cost savings based on adoption are also exceptional. Implementation is fairly smooth and fast, which makes the learning curve manageable.”
