

## Construction Experience that Matters

Prophix centralizes all your financial information and ensures job cost data is always in sync with your accounting. With a single source of the truth, everyone is always working with the most up-to-date cost information preventing project delays and cost over-runs. Drill-down or drill across with easy to use self-serve reporting.

"We often recommend Prophix to companies in our industry. I typically focus on time savings, which relate to our corporate strategy of always wanting to operate leaner. The cost savings based on adoption are also exceptional. Implementation is fairly smooth and fast, which makes the learning curve manageable."

– Stephanie Baccam, Accounting Supervisor, Interstates Companies

"We've had a great experience using Prophix's software as the fundamental data warehouse to generate P&Ls for our 40+ global locations. With our Prophix solution, we analyze the effect of our project spending, assess customer profitability, and conduct all of our financial consolidation."

– Tom Schmitt, Vice President, Business Technology, Convergent Technologies

# Focus On What Really Matters

Your business is evolving. And the way you plan and report on your business should evolve too. Prophix helps mid-market companies achieve their goals more successfully with innovative, cloud-based Corporate Performance Management (CPM) software. With Prophix, finance leaders improve profitability and minimize risk by automating budgeting, forecasting and reporting and puts the focus back on what matters most – uncovering business opportunities. Prophix supports your future with AI innovation that flexes to meet your strategic realities, today and tomorrow. Over 1,500 global companies rely on Prophix to transform the way they work.

## Our Solutions

### Budgeting & Planning

Budgets are no longer a burden. Improve budgeting accuracy, reduce risk, and leverage automation to increase buy-in.

### Reporting & Analytics

With a few clicks, build a dashboard that provides a comprehensive, easy-to-understand view of company performance.

### Financial Consolidation & Close

Enhance financial consolidation by adding processes & controls. Prophix automates collection and accuracy.

### Workflow & Automation

Automate repetitive processes and build comprehensive workflows to save you time and give you confidence in your reports.

### Virtual Financial Analyst

The Virtual Financial Analyst helps you work smarter by automating repetitive tasks and serves up insights more naturally through voice or text. Your Virtual Financial Analyst can accurately detect anomalies and quickly surface risk, giving you greater confidence than ever before.
