

## Utilities Experience that Matters

Prophix automates the management of all your data from finance, sales and production systems. Creating and managing this single source of financial truth helps utility companies automate reporting, streamline budgeting and planning processes, and improve analytics to better manage production, capital deployment, customer service and regulations.

“Prophix is OMU’s go-to application for automating our budgeting, budget reporting, and capital expenditures planning. Since we implemented the software, we have come to rely on its power and dependability.”

– J. Lynn Holland, Chief Financial Officer, Owensboro Municipal Utilities
